Re: October Quarterly Report (8/26/10 – 9/30/10), Chris Coons for Delaware, FEC ID No. C00475392

Dear Ms. Davis,

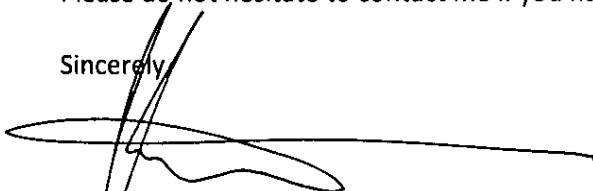

This is the response of Chris Coons for Delaware (the "Committee") to the Commission's request for additional information dated February 17, 2011 regarding the Committee's October Quarterly Report.

1. As it relates to Section 1 of the letter, the Committee received a transfer of funds constituting conduit contributions from Actblue in the amount of \$41,199.63 on September 15, 2010. All of the conduit contributions were received by Actblue on or before September 14, 2010, the date of the primary election, and accordingly, were correctly designated for the primary. All of the conduit contributions were inadvertently reported as being received by Actblue on September 15, 2010. The Committee is amending its report to show the correct date of receipt. In addition, the Committee has identified several other contributions that were inadvertently designated for the primary, but should have been designated for the general. The Committee is amending its report to reflect the proper election designation. The correction of these designations does not result in any contributor making an excessive contribution as to either the primary or general election.

2. As it relates to Section 2 of the letter, the Committee inadvertently reported receiving a contribution from Neil Ellis on 9/10/2010 on its October Quarterly Report. This contribution was actually received by the Committee on August 5, 2010 and accordingly, no 48-hour notice was required. The Committee is amending the relevant reports to reflect the accurate date of receipt.

Please do not hesitate to contact me if you have any additional questions about this matter.

Sincerely,

Christopher Koob
